

UK Mobility

The UK hosted the mobility for 8 adults and 16 students

CO ORDINATORS MEETING

Skipton finding out about English history

Cultural Visit to Liverpool

Creating posters and placards to combat bullying. Posters and placards went on display in the town centre for two weeks disseminating the project to the towns' population and those passing through.

Disseminating the project to the local people from Nelson and the surrounding area close to Pendle Community High School.

The placards and banners used to share the projects as we couldn't walk due to the English weather.
